PRAYERS *underscore with* Deep in Our Hearts MV 154

Creator God,
we open our hearts this day in thanks
for all the blessings of life.
We thank you for the vision you have given us
of the oneness of creation,

and the blessings that are possible
when we truly feel at one with each other and with creation.
Help us look at each other in the same way you look at us:
with understanding, compassion, forgiveness, hope,
and as all part of one family.
Help us live out a common vision,
a common song, a common story of oneness.

*Deep in our hearts,
there is a common vision;
deep in our hearts
there is a common song;
deep in our hearts
there is a common story,
telling Creation that we are one.*

God of harmony,
guide us in our attitudes, words, and actions
as we seek to live out a common purpose,
a common goal of justice and peace for all.
Free us from draining judgements, limited thinking,
and illusions of separateness,
so that we come to view each person,
each part of creation, as sacred,
and so treat everyone and everything with fairness,
kindness, and compassion.

In this way, may we do our part
to help bring about the justice and peace we all seek.

*Deep in our hearts
there is a common purpose;
deep in our hearts
there is a common goal;*

*deep in our hearts
there is a sacred message,
justice and peace in harmony.*

God of all,
our hearts go out this day to all those whose story is one
of suffering, loss, pain, or loneliness.
We pray for those who are recovering ...
for those seeking freedom where there is war, cruelty, and injustice;
for refugees wandering in great numbers upon the earth;
for those struggling with abusive relationships, addictions,
and inner wounds that have not yet healed.
Where we can offer healing, where we can bring hope,
where we can contribute something helpful,
help us find the courage and strength to do so.
Help us work together so that freedom and love
flow like an everlasting stream.

*Deep in our hearts
there is a common longing
deep in our hearts
there is a common theme
deep in our hearts
there is a common current,
flowing to freedom like a stream.*

And so, Creator God, we pray for a deeper awareness of our oneness.

We pray that each of us will give
of our time, talents, finances, prayers, being and service—
knowing that by so doing, we will become good stewards
of our precious earth and be in harmony
with our common vision, with the way Jesus lived,

with you, and with all creation.

By the power of the Spirit, may this be our common song!

*Deep in our hearts,
there is a common vision;
deep in our hearts
there is a common song;
deep in our hearts
there is a common story,
telling Creation that we are one.*

We bring these and all other prayers of our hearts
before you, loving God,
and ask for blessings to be poured upon the conversations and work of this day.
