

# Becoming *One* in Christ

Shining Waters Regional Meeting  
October 17 - 18, 2020

## TIPS FOR USING ZOOM

October 8, 2020

### JOINING THE MEETING

- **MEETING LINK** Your personalized link to the meeting was emailed to you after you registered. There will be a reminder email closer to the meeting that also includes the link. This is the only link that you may use to access the meeting.
- **ARRIVAL TIME** Sign in to the meeting by 8:45 am (EDT) or earlier. You will arrive in the waiting room and be admitted at 8:55 am. The Call to Order is at 9:00 am. You will be muted upon entry and we ask you to stay muted.
- **YOUR NAME** Check that your name appears correctly in the participant list (see below). The MORE button beside your name allows you to rename yourself. Corresponding and non-voting participants please add a “Z” in front of your name to help with scrutineering.
- **AUDIO** When you join the meeting, you will be asked about connecting audio. It is easiest to join by computer audio unless your computer does not have speakers. If you have trouble with your audio you may also connect by phone with the number in your invitation. Remember to use the toll-free number for long-distance calls. If you use a cordless phone, please be sure it has enough charge to last the duration of the meeting, and/or charge your phone during the breaks.
- **VIDEO** For this meeting you will not need to start your own video (webcam) unless you are going to speak. At the beginning of the meeting it may be nice to “see” everyone, but once the meeting is underway it is best for all video to be off apart from the presenters. For best viewing please change to “Speaker View” and/or “Side by Side” at the top of the video panel of your screen.

### PARTICIPATING

- **PARTICIPANTS PANEL AND CHAT** Open both the Participants Panel and the Chat box on the Zoom toolbar (diagram below).
- **LISTEN ONLY** For the majority of this meeting you will likely only need to listen to those presenting.
- **SPEAKING** Staff will be monitoring the Participants Panel and the Chat box. Please signal your desire to be added to the speaker’s list by raising your digital (not your real) hand by clicking the 🖐️ blue hand at the bottom of the Participant’s Panel. When you are recognized by the President, unmute your microphone to be heard. In the event there is some issue with sound, you may type in the chat box. Please don’t lower your hand, we will do that for you.

- **POINT OF ORDER** To raise a point of order raise your hand, and type “PT OF ORDER” in the chat, so that the President can adjust the speaker’s order accordingly

## VOTING

- **ELIGIBILITY** Only elected Lay Regional Representatives and Ministry Personnel are eligible to vote. If you are not a voting member please put an “z” before your name – this way the scrutineers can see the votes more easily.
- **YES/NO** We will be voting using the Yes and No icons found at the bottom of your Participants Panel to vote, following the instructions from the President. To abstain type ABSTAIN in the chat.
- **VOTE BY PHONE** Voting representatives participating on the phone will vote by pressing \*9 when the President calls for you to vote by phone and this will raise your hand in the Participants Panel.
- **RE-OPEN THE PARTICIPANT AND CHAT PANELS** Note: When the host shares their screen (ie: with the agenda or a proposal) the program will put you into full screen mode and you will lose the chat and participant panels. To get these back click “Chat” and “Participant” on the Zoom toolbar (usually at the top of your screen). They will reappear in the centre of your screen but you can move them to the side by clicking on the top of the pod and dragging it over.
- **TWO VOTES** If two people are joined from the same household one person can vote with the Yes/No button. The second person can add their vote by typing Yes or No in the chat.

## CHAT

- **LIMITED** Chat is limited for this meeting to minimize distractions and you are only able to chat with the hosts and co-hosts
