Background for Consent Motions

Evaluation and experience have shown that the agendas of meetings of the Regional Council are full and that time for fulsome discernment and discussion of important items is occasionally lacking.

A consent agenda is a tool to help the Regional Council focus on what is most important. Proposals, which are routine or non-controversial actions or routine changes in policy or procedure, are included in the consent agenda. At the meeting, any five (5) voting members of the Regional Council may request to move any item(s) from the consent agenda to be placed on the meeting's agenda. By courtesy, advance notice would be given to the Executive Minister. If you have a concern, you are encouraged to contact the Executive Minister in advance as an exchange of information may resolve a question.

In a consent agenda you may also find minutes of previous meetings etc. and the list of correspondence to the Executive (if any) is included with the reports.

Process

The process for acting on the consent agenda in the opening sessions will be as follows:

1. Presider/chairperson: "You have all received the resource book, with the consent agenda. Does any five members wish to move an item from the consent agenda to be placed on the meeting's agenda?"
2. If any five (5) voting members requests, an item is moved. (By courtesy, advance notice would be given to the Executive Minister.)
3. Chairperson: "Without discussion, then, the consent agenda is ready for a vote. Those in favour? Opposed? All items on the consent agenda are adopted."
